MENU

Garlic Butter Noodles

Food Cooking & Watch Party
with Melisa

Join the party to watch some of my favorite foodie channels on YouTube like HiHo Kids & Fung Bros Food or suggest a few of your own :) Open to going down the internet rabbit hole with caution for TWs.

Peanut Noodles

Food Illustration with Celia

Grab your drawing supplies and the noodle dish of your choice to doodle some noodles together! After sketching, I'll show you how to turn your hand-drawn doodle into a digital file so you can use it on future designs.

Vegetable (and Meat) Tomato Sauce Games with Kyree

Come on over for a friendly virtual hang out where we'll play online games together. We'll be playing Jackbox Party games, a multiplayer game that allows up to 8 players to play at a time, but if you have any other suggestions, feel free to throw them out there!

Ramen Noodles

Mukbang with Jayce

Not really in the mood to do anything and just want to sit around and eat? Me too. Join to just hang around and enjoy your individual meals in a stress-free environment with other classmates at our virtual table and mukbang! Conversations and cameras are encouraged, but never required.
